About Carrols Restaurant Group, Inc.

Overview

We are one of the largest restaurant companies in the United States and have been operating restaurants for more than 50 years. We are the largest Burger King® franchisee in the world, based on number of restaurants, and have operated Burger King restaurants since 1976. As of September 30, 2012, we owned and operated 572 Burger King restaurants located in 13 Northeastern, Midwestern and Southeastern states. Burger King restaurants feature the popular flame-broiled Whopper® sandwich, as well as a variety of hamburgers, chicken and other specialty sandwiches, french fries, salads, breakfast items, snacks and other offerings. We believe that our size, seasoned management team, extensive operating infrastructure, experience and proven operating disciplines differentiate us from many of our competitors as well as many other Burger King operators.

On May 30, 2012, we consummated the acquisition from Burger King Corporation of 278 Burger King restaurants, which we refer to as the "acquired restaurants." Total cash consideration of approximately \$16.2 million included \$3.8 million to be paid over five years. Non-cash consideration to BKC included a 28.9% equity ownership interest in Carrols Restaurant Group through the issuance to BKC of 100 shares of our Series A Convertible Preferred Stock. The acquired restaurants are located in seven Mid-Atlantic, Midwestern and Southeastern states. Additionally, pursuant to an operating agreement dated as of May 30, 2012, between us and BKC, which we refer to as the "operating agreement," BKC assigned to us its right of first refusal, which we refer to as the "ROFR," on sales of restaurants by franchisees in 20 states for 20 years or until we operate 1,000 Burger King restaurants, subject to compliance with the operating agreement. Under the operating agreement, BKC also granted to us certain pre-approval rights. We have agreed to remodel 455 Burger King restaurants to BKC's "20/20" restaurant image, including 57 restaurants in 2012, 154 restaurants in 2013, 154 restaurants in 2014 and 90 restaurants in 2015. We refer to the acquisition of the acquired restaurants and the assignment of the ROFR as the "acquisition."

Our common stock is listed on The NASDAQ Global Market under the symbol "TAST." On May 7, 2012, we completed the spin-off of our former indirect wholly-owned subsidiary, Fiesta Restaurant Group, whereby each holder of record on April 26, 2012 of our common stock received one share of Fiesta Restaurant Group common stock for every one share of our common stock held, which we refer to as the "spin-off."

Corporate Information

We are a Delaware corporation, incorporated in 1986. We conduct all of our operations through our indirect subsidiary, Carrols LLC, a Delaware limited liability company. Acquisition of Shares by Selling Stockholders

On July 2, 2009, the selling stockholders acquired an aggregate of 6,559,739 shares of our common stock from funds managed by affiliates of Madison Dearborn Partners, LLC, and BIB Holdings (Bermuda) Ltd., a wholly-owned subsidiary of Bahrain International Bank (E.C.) pursuant to agreements dated as of June 16, 2009.

On June 4, 2012, the selling stockholders consummated the following sales of our common stock: (i) Jefferies Capital Partners IV LP sold 2,148,589 shares of our common stock in an open market transaction pursuant to Rule 144 under the Securities Act of 1933, as amended, or the “Securities Act,” (ii) Jefferies Employee Partners IV LLC sold 247,467 shares of our common stock in an open market transaction pursuant to Rule 144 under the Securities Act and (iii) JCP Partners IV LLC sold 78,574 shares of our common stock in an open market transaction pursuant to Rule 144 under the Securities Act, in each case, at a purchase price of \$5.0336 per share.

Registration Rights Agreement

We are registering an aggregate of 4,085,109 shares of our common stock on behalf of the selling stockholders pursuant to the terms of a Registration Rights Agreement, dated as of June 16, 2009, between us and the selling stockholders, which we refer to as the “registration rights agreement.” The registration rights agreement provides that the selling stockholders and their affiliates may make up to five (5) demands to register our common stock held by them under the Securities Act including a request for registration for their shares of our common stock on Form S-3 or any similar form. The registration rights agreement also provides that whenever we register shares of our common stock under the Securities Act (other than on a Form S-4 or Form S-8), then the selling stockholders and their affiliates will have the right to register their shares of our common stock as part of that registration. The registration rights under the registration rights agreement are subject to the rights of the managing underwriters, if any, to reduce or exclude certain shares owned by the selling stockholders and their affiliates from an underwritten registration. Except as otherwise provided in the registration rights agreement, the registration rights agreement requires us to pay for all costs and expenses, other than underwriting discounts, commissions and underwriters' counsel fees, incurred in connection with the registration of our common stock and to indemnify the selling stockholders against certain liabilities, including liabilities under the Securities Act. A copy of the registration rights agreement was filed with the SEC and is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part.

RISK FACTORS

An investment in our common stock involves a high degree of risk. Prior to making a decision about investing in our common stock, you should consider carefully the specific risk factors discussed in the sections entitled "Risk Factors" contained in our Annual Report on Form 10-K for the fiscal year ended January 1, 2012, as amended, or the most recent Quarterly Report on Form 10-Q, as filed with the SEC, which are incorporated herein by reference in their entirety, as well as any amendment or updates to our risk factors reflected in subsequent filings with the SEC. These risks and uncertainties are not the only risks and uncertainties we face. Additional risks and uncertainties not presently known to us, or that we currently view as immaterial, may also impair our business. If any of the risks or uncertainties described in our SEC filings or any additional risks and uncertainties actually occur, our business, financial condition, results of operations and cash flow could be materially and adversely affected and you might lose all or part of your investment.

Investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those projected or implied in the forward-looking statements. We believe important factors that could cause actual results to differ materially from our expectations include the following, in addition to other risks and uncertainties discussed herein and in our Annual Report on Form 10-K for the fiscal year ended January 1, 2012, as amended, or the most recent Quarterly Report on Form 10-Q, as filed with the SEC:

USE OF PROCEEDS

We are filing the registration statement of which this prospectus is a part pursuant to our contractual obligations to the selling stockholders under the registration rights agreement. We will not receive any of the proceeds from the sale of shares of our common stock by the selling stockholders pursuant to this prospectus.

The selling stockholders will pay any underwriting discounts and commissions incurred by any selling stockholder in disposing of shares covered by this prospectus. We will bear all other costs, expenses and fees in connection with the registration of the shares of common stock covered by this prospectus.

SELLING STOCKHOLDERS

On July 2, 2009, the selling stockholders acquired an aggregate of 6,559,739 shares of our common stock from third parties in privately negotiated transactions. On June 4, 2012, the selling stockholders sold an aggregate of 2,474,630 shares of our common stock in open market transactions pursuant to Rule 144. For more information, see “Prospectus Summary-Acquisition of Shares by Selling Stockholders” above. We have agreed to prepare, on behalf of the selling stockholders, a registration statement on Form S-3, of which this prospectus forms a part, to register with the SEC the offer and sale of the shares of common stock to be sold hereby from time to time. This prospectus relates to the possible resale from time to time by the selling stockholders of any or all of the 4,085,109 shares of our common stock held by them.

One member of our board of directors, Nicholas Daraviras, is affiliated with the selling stockholders. Mr. Daraviras is an employee and Managing Director of an affiliate of the selling stockholders. Mr. Daraviras has also served as a member of the board of directors of Fiesta Restaurant Group, our former indirect wholly-owned subsidiary prior to the spin-off, since April 2011. Additionally, Brian P. Friedman may be deemed to beneficially own shares offered by the selling stockholders in this prospectus. Mr. Friedman has been President of Jefferies Capital Partners and its predecessors since 1997, and is a director and executive officer of Jefferies Group, Inc. and the managing member of Jefferies Capital Partners IV LLC. Mr. Friedman served as a member of our board of directors from July 2009 until May 7, 2012. Pursuant to a letter dated as of July 21, 2011, Mr. Friedman resigned as a member of our board of directors effective on the date of the consummation of the spin-off.

On July 27, 2011, we entered into a voting agreement, as amended on May 30, 2012, which we refer to as the “JCP voting agreement,” with the selling stockholders. Pursuant to the JCP voting agreement, the selling stockholders (and their affiliates) agreed, commencing upon the consummation of the spin-off, with respect to an aggregate of 50% of the shares of our common stock currently held by the selling stockholders, which we refer to as the “subject shares,” to vote the subject shares in the same proportion and in the same manner as all of the other outstanding shares of our common stock are voted with respect to all matters voted upon by our stockholders, except for the removal of the restrictions that limit the conversion of our outstanding Series A Convertible Preferred Stock (issued to BKC in connection with the acquisition by us from BKC of the acquired restaurants) and the number of shares of our common stock issuable upon such conversion to an aggregate amount of shares not to exceed 19.9% of the outstanding shares of our common stock as of the date of the issuance of the Series A Convertible Preferred Stock, any proposed merger, consolidation, reorganization, dissolution or similar transaction, or a proposed sale or disposition of all or substantially all of the assets or business of Carrols Restaurant Group (in which cases the subject shares will be voted by the selling stockholders and their affiliates in their sole and absolute discretion). The JCP voting agreement provides that the subject shares will also include (i) any additional shares of our common stock issuable in the future as a dividend or distribution on the shares subject to the JCP voting agreement, and (ii) any additional shares of our common stock purchased or otherwise acquired by the selling stockholders (and their affiliates). Under the JCP voting agreement, the selling stockholders granted an irrevocable proxy to our President to vote the subject shares in a manner consistent with the JCP voting agreement. The JCP voting agreement will automatically terminate upon the earlier to occur of (a) a sale, transfer or other disposition by the selling stockholders (or their affiliates) of all of the subject shares, (b) if the percentage ownership of our common stock by the selling stockholders (and their affiliates) falls below 15% of our outstanding common stock, or (c) the percentage ownership of Fiesta Restaurant Group common stock (after the spin-off) by the selling stockholders (and their affiliates) falls below 15% of the outstanding Fiesta Restaurant Group common stock. Copies of the JCP voting agreement were filed with the SEC and are incorporated by reference as exhibits to the registration statement of which this prospectus is a part.

Except as provided above, the selling stockholders have not had any material relationship with us or our affiliates within the past three years other than for the ownership of the shares of common stock.

The table below, including the footnotes, lists the selling stockholders and other information regarding the beneficial ownership of the shares of common stock held by each of the selling stockholders based in part on information provided to us by the selling stockholders. The percentages of shares owned prior to and after the offering are based on 23,685,080 shares of our common stock issued and outstanding as of November 2, 2012. The number of shares beneficially owned prior to offering column indicates the number of shares of common stock beneficially owned by each selling stockholder as of November 2, 2012. We have determined beneficial ownership in accordance with SEC rules.

The number of shares being offered column indicates the total number of shares of our common stock that each selling stockholder may offer under this prospectus.

The shares beneficially owned after offering column assumes the sale of all of the shares offered by the selling stockholders pursuant to this prospectus. However, because the selling stockholders may sell all or some of their shares under this prospectus from time to time, or in another permitted manner, we cannot assure you as to the actual number of shares that will be sold by the selling stockholders or that will be held by the selling stockholders after completion of any sales. We do not know how long any

of the selling stockholders will hold the shares before selling them. Information concerning the selling stockholders may change from time to time and changed information will be presented in a supplement to this prospectus if and when necessary and required.

The selling stockholders may sell all, some or none of their shares in this offering. See “Plan of Distribution.”

The shares held by the selling stockholders may be deemed to be beneficially owned by JCP IV LLC, which we refer to as the “General Partner”, the general partner of JCP IV and the managing member of each of JEP and JCP. The shares held by the General Partner may be deemed to be beneficially owned by Jefferies Capital Partners IV LLC, which we refer to as the “Manager”, the managing member of the General Partner. Brian P. Friedman and James L. Luikart, are each managing members of the Manager and in such capacity may each be deemed to be beneficial owner of the shares.

- broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- by pledge to secure debts and other obligations or on foreclosure of a pledge;
- a combination of any such methods of sale; and
- any other method permitted by applicable law.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our common stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

The selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act provided that they meet the criteria and conform to the requirements of that rule.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of the common stock or interests therein may be “underwriters” within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Selling stockholders who are “underwriters” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

Each selling stockholder has advised us that they have not entered into any written or oral agreements, understandings or arrangements with any underwriter or broker-dealer regarding the sale of the resale shares. There is no underwriter or coordinating broker acting in connection with the proposed sale of the resale shares by the selling stockholders.

To the extent required, the shares of our common stock to be sold, the names of the selling stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act, may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

Under the registration rights agreement, we have agreed with the selling stockholders to keep the registration statement of which this prospectus constitutes a part continuously effective for up to 9 months following such registration, but not later than the date on which all of the shares covered by such registration may be sold without limitation or restriction pursuant to Rule 144 under the Securities Act (or any successor provision having similar effect).

We have agreed, among other things, to pay all expenses of the registration of the shares of common stock, including, without limitation, SEC filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, that the selling stockholder will pay all underwriting discounts and selling commissions applicable to the sale of the shares of common stock.

We have agreed to indemnify the selling stockholders against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus. The selling stockholders have, subject to certain limitations, agreed to indemnify us against liabilities under the Securities Act that may arise from any written information furnished to us by the selling stockholders specifically for use in this prospectus.

	Amount to Be Paid

Total	<u>\$ 50,660</u>

Item 15. Indemnification of Directors and Officers

The following subparagraphs briefly describe indemnification provisions for our directors, officers and controlling persons against liability, including liability under the Securities Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

We have directors' and officers' liability insurance covering certain liabilities incurred by our directors and officers in connection with the performance of their respective duties.

Under Section 145 of the General Corporation Law of Delaware, a Delaware corporation has the power, under specified circumstances, to indemnify its directors, officers, employees and agents in connection with actions, suits or proceedings brought against them by a third party (other than an action by or in the right of the corporation), by reason of the fact that they were or are such directors, officers, employees or agents, against expenses incurred in any action, suit or proceeding. Our Certificate of Incorporation allows for indemnification of directors and officers to the fullest extent permitted by the General Corporation Law of the State of Delaware.

Section 102(b)(7) of the General Corporation Law of the State of Delaware provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 (relating to liability for unauthorized acquisitions or redemptions of, or dividends on, capital stock) of the General Corporation Law of the State of Delaware, or (iv) for any transaction from which the director derived an improper personal benefit. Our Certificate of Incorporation contains such a provision.

Item 17. Undertakings

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
provided, however, that subparagraphs (i), (ii) and (iii) above do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (i) If the Registrant is relying on Rule 430B:

- (a) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (b) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

- (ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

- (5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant hereby undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions of Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Act such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement on Form S-3 to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Syracuse, State of New York, on the 13th day of November, 2012.
