The Indenture provides that the Notes will mature on August 15, 2016 and will bear interest at the rate of 8.875% per annum, payable semi-annually on February 15 and August 15 of each year, beginning on February 15, 2012. The entire principal amount of the Notes will be due and payable in full on the maturity date. The Indenture contains certain covenants that limit the ability of Fiesta Restaurant Group and the Guarantors to, among other things: incur indebtedness or issue preferred stock; incur liens; pay dividends or make distributions in respect of capital stock or make certain other restricted payments or investments; sell assets; agree to payment restrictions affecting Restricted Subsidiaries (as defined in the Indenture); enter into transaction with affiliates; or merge, consolidate or sell substantially all of the assets. The Carrols LLC Loan Agreement provides for a senior credit facility comprised of a \$20.0 million revolving credit facility (including a sublimit of up to \$10.0 million for letters of credit) and \$65.0 million principal amount of term loan borrowings. The Carrols LLC Loan Agreement also provides that Carrols LLC has the right to request the Carrols LLC Lenders (although they are under no obligation to make any such loans) for incremental borrowing increases of up to \$25 million, in the aggregate to the revolving credit facility and term loan borrowings available under the Carrols LLC Loan Agreement, in accordance with the terms specified in the Carrols LLC Loan Agreement. In addition, Carrols LLC used net proceeds of the term loan borrowings from the Carrols LLC Loan Agreement and Fiesta Restaurant Group used the net proceeds of the offering of the Notes, to distribute funds to Carrols to enable Carrols to repurchase Existing Notes through a redemption of the Existing Notes not tendered in the tender offer. Any excess funds distributed to Carrols as provided in the preceding sentence will be used by Carrols for general corporate purposes, including disbursements of funds to Carrols LLC and/or Fiesta Restaurant Group.

Borrowings under the revolving credit facility and term loan borrowings under the Carrols LLC Loan Agreement will bear interest at a rate per annum, at Carrols' option, of (i) the Alternate Base Rate (as defined in the Carrols LLC Loan Agreement) plus the applicable margin of 2.25% to 4.0% based on Carrols LLC's Adjusted Leverage Ratio (as defined in the Carrols LLC Loan Agreement) (with an initial applicable margin set at 2.75% until the delivery of financial statements to the Carrols LLC Administrative Agent and the Carrols LLC Lenders for the fourth fiscal quarter of 2011) or (ii) the LIBOR Rate (as defined in the Carrols LLC Loan Agreement) plus the applicable margin of 3.25% to 4.0% based on Carrols' LLC's Adjusted Leverage Ratio (with an initial applicable margin set at 3.75% until the delivery of financial statements to the Carrols LLC Administrative Agent and the Carrols LLC Lenders for the fourth fiscal quarter of 2011).

Carrols LLC's obligations under the Carrols LLC Loan Agreement are secured by substantially all of the assets of Carrols LLC pursuant to the Security Agreement and the Pledge Agreement. In addition, such obligations are secured by a pledge by Carrols of all of the outstanding equity interests of Carrols LLC pursuant to the Holdings Pledge Agreement.

Under the Carrols LLC Loan Agreement, Carrols LLC will be required to make mandatory prepayments of revolving credit facility borrowings and principal on term loan borrowings (i) annually in an amount equal to 50% to 100% of Excess Cash Flow (as defined in the Carrols

The Fiesta Loan Agreement also provides that Fiesta Restaurant Group has the right to request the Lenders (although they are under no obligation to make any such loans) for incremental revolving credit borrowing increases of up to \$5 million, in the aggregate, in accordance with the terms specified in the Fiesta Loan Agreement. The Fiesta Loan Agreement matures on February 5, 2016. Fiesta Restaurant Group will use any borrowings under the Fiesta Loan Agreement to finance ongoing working capital requirements and other general corporate purposes. Fiesta Restaurant Group did not make any revolving credit borrowings under the Fiesta Loan Agreement at closing on August 5, 2011.

Borrowings under the Fiesta Loan Agreement will bear interest at a rate per annum, at Fiesta's option, of (i) the Alternate Base Rate (as defined in the Fiesta Loan Agreement) plus the applicable margin of 2.0% to 2.75% based on Fiesta's Adjusted Leverage Ratio (as defined in the Fiesta Loan Agreement) (with an initial applicable margin set at 2.5% until the delivery of financial statements for the fourth fiscal quarter of 2011) or (ii) the LIBOR Rate (as defined in the Fiesta Loan Agreement) plus the applicable margin of 3.0% to 3.75% based on Fiesta's Adjusted Leverage Ratio (with an initial applicable margin set at 3.5% until the delivery of financial statements for the fourth fiscal quarter of 2011).

Fiesta Restaurant Group's obligations under the Carrols LLC Loan Agreement are secured by substantially all of the assets of Fiesta Restaurant Group and the Guarantors (including a pledge of all of the capital stock and equity interests of the Guarantors) pursuant to the First Lien Security Agreement.

Under the Fiesta Loan Agreement, Fiesta Restaurant Group will be required to make mandatory prepayments of borrowings in the event of dispositions of assets, debt issuances and insurance and condemnation proceeds (all subject to certain exceptions).

The Fiesta Loan Agreement contains certain covenants, including, without limitation, those limiting Fiesta Restaurant Group's and the Guarantors' ability to, among other things, incur indebtedness, incur liens, sell or acquire assets or businesses, change the character of its business in all material respects, engage in transactions with related parties, make certain investments, make certain restricted payments or pay dividends. In addition, the Fiesta Loan Agreement requires Fiesta Restaurant Group to meet certain financial ratios, including Fixed Charge Coverage Ratio and Adjusted Leverage Ratio (all as defined under the Fiesta Loan Agreement).

Under the Fiesta Loan Agreement, the Lenders may terminate their obligation to advance and may declare the unpaid balance of borrowings, or any part thereof, immediately due and payable upon the occurrence and during the continuance of customary defaults which include, without limitation, payment default, covenant defaults, bankruptcy type defaults, defaults on other indebtedness, judgments or upon the occurrence of a change of control (as specified therein).
