PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

May 31, 2007

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors, also referred to as the Board of Directors or the Board, of CARROLS RESTAURANT GROUP, INC., a Delaware corporation, to be used at the annual meeting of stockholders (the "Meeting") of the Company which will be held at The Hilton New York, 1335 Avenue of the Americas, New York, New York 10019 on Thursday, May 31, 2007, at 10:00 A.M. (local time), and at any adjournment or adjournments thereof. All references in this Proxy Statement to the "Company", "we", "us", and "our" refer to Carrols Restaurant Group, Inc.

Stockholders who execute proxies in the accompanying form retain the right to revoke them at any time by notice in writing to the Secretary of the Company, by revocation in person at the Meeting or by presenting a later-dated proxy. Unless so revoked, the shares represented by proxies will be voted at the Meeting. The shares represented by the proxies solicited by our Board of Directors will be voted in accordance with the directions given therein, but if no direction is given, such shares will be voted (i) FOR the election of the two named director nominees as Class I directors and (ii) FOR the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the 2007 fiscal year.

Stockholders vote at the Meeting by casting ballots (in person or by proxy) which are tabulated by a person who is appointed by the Board of Directors before the Meeting to serve as inspector of election at the Meeting and who has executed and verified an oath of office. The affirmative vote of (i) a plurality of the shares present at the Meeting and entitled to vote on the subject matter is required to elect the director nominees to the Board of Directors and (ii) a majority of the shares present at the Meeting and entitled to vote on the subject matter is required to ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the 2007 fiscal year and approve any other business which may properly come before the Meeting. Abstentions and broker "non-votes" are included in the determination of the number of shares present at the Meeting for quorum purposes. Abstentions will count as a vote against the proposals, other than the election of directors. Abstentions will not have an effect on the election of directors because directors are elected by a plurality of the votes cast. Broker "non-votes" are not counted in the tabulations of the votes cast on any of the proposals. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. There are no proposals at this Meeting which involve a broker "non-vote."

Our principal executive offices are located at 968 James Street, Syracuse, New York 13203. The approximate date on which this Proxy Statement and the enclosed form of proxy were first sent or given to stockholders was on or about April 24, 2007.

We use a 52 or 53 week fiscal year ending on the Sunday closest to December 31. For convenience, all references herein to the fiscal years ended December 28, 2003, January 2, 2005, January 1, 2006 and December 31, 2006 will hereinafter be referred to as the fiscal years ended December 31, 2003, 2004, 2005 and 2006, respectively. All reference herein to the fiscal year ending December 30, 2007 will hereinafter be referred to as the 2007 fiscal year or the fiscal year ending December 31, 2007.

On December 20, 2006, we and certain selling stockholders completed an initial public offering (the "IPO") of an aggregate of 5,666,666 and 5,333,334 shares of our Common Stock, respectively (including an

aggregate of 1,000,000 shares sold by the selling stockholders upon the underwriters' exercise of their over-allotment option) pursuant to a Registration Statement on Form S-1 which was declared effective by the Securities and Exchange Commission (the "SEC") on December 14, 2006 (the "Effective Time"). The Meeting will be our first Annual Meeting of Stockholders since the completion of the IPO.

Our Board of Directors is divided into three classes of directors, with the classes as nearly equal in number as possible, each serving staggered three-year terms. As a result, approximately one third of our Board of Directors will be elected each year.

The terms of office of our Board of Directors are:

- Class I directors, whose initial term will expire at this Meeting and when their successors are duly elected and qualify;
- Class II directors, whose initial term will expire at the Annual Meeting of Stockholders to be held in 2008 and when their successors are duly elected and qualify; and
- Class III directors, whose initial term will expire at the Annual Meeting of Stockholders to be held in 2009 and when their successors are duly elected and qualify.

Our Class I directors are Alan Vituli and Daniel T. Accordino; our Class II directors are Joel M. Handel and Clayton E. Wilhite; and our Class III directors are Robin P. Selati, Jack A. Smith and Olaseni Adeyemi Sonuga.

Two directors will be elected at the Meeting as Class I directors of the Company for a term of three years expiring at the Annual Meeting of Stockholders to be held in 2010 and until their respective successors shall have been elected and shall qualify. The election of directors requires the affirmative vote of a plurality of the shares of Common Stock present in person or by proxy at the Meeting. **Each proxy received will be voted FOR the election of the nominees named below unless otherwise specified in the proxy.** At this time, our Board of Directors knows of no reason why any nominee might be unable to serve. Information Regarding the Board of Directors and Committees

Family Relationships

There are no family relationships between any of our executive officers or directors.

Independence of Directors

Since the Effective Time through December 31, 2006, our Board of Directors did not meet or act by unanimous written consent on any occasion. Prior to the Effective Time and during the fiscal year ended December 31, 2006, the Board met or acted by unanimous consent on nine occasions. Prior to the Effective Time and during the fiscal year ended December 31, 2006, each of the directors attended at least 75% of the aggregate number of meetings of the Board and of any committees of the Board on which they served. The Company does not have a policy on attendance by directors at our annual meeting of stockholders.

As required by the listing standards of The NASDAQ Stock Market LLC ("*NASDAQ*"), a majority of the members of our Board must qualify as "independent," as affirmatively determined by our Board. Our Board determines director independence based on an analysis of such listing standards and all relevant securities and other laws and regulations regarding the definition of "independent".

Consistent with these considerations, after review of all relevant transactions and relationships between each director, any of his or her family members, and us, our executive officers and our independent registered public accounting firm, the Board has affirmatively determined that a majority of our Board is comprised of independent directors. Our independent directors pursuant to NASDAQ are Messrs. Handel, Wilhite, Selati, Smith and Sonuga.

Prior to the Effective Time, Benjamin D. Chereskin and Brian F. Gleason served on our Board of Directors. Prior to the Effective Time, the Board did not consider the independence of Mr. Chereskin and Mr. Gleason or

any of our other members of the Board of Directors because we were not a public company and our Common Stock was not listed on any national securities exchange and, consequently, we and our Board of Directors were not subject to the independence requirements of any national securities exchange until the Effective Time. Mr. Chereskin and Mr. Gleason resigned from our Board of Directors at the Effective Time and Mr. Handel was elected as a Class II member and Mr. Smith was elected as a Class III member of our Board of Directors, effective at the Effective Time.

Committees of the Board

The standing committees of our Board of Directors consist of an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. Our Board of Directors may also establish from time to time any other committees that it deems necessary or advisable.

Audit Committee

Our Audit Committee consists of Messrs. Wilhite, Smith and Handel, with Mr. Smith serving as the Chairman of the Audit Committee. All three current members of the Audit Committee satisfy the independence requirements of Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”) and Rules 4200 and 4350(d) of the NASDAQ listing standards. Each member of our Audit Committee is financially literate. In addition, Mr. Smith serves as our Audit Committee “financial expert” within the meaning of Item 407 of Regulation S-K of the Securities Act of 1933, as amended (the “*Securities Act*”), and has the financial sophistication required under the NASDAQ listing standards. Our Audit Committee, among other things:

- reviews our annual and interim financial statements and reports to be filed with the SEC;
- monitors our financial reporting process and internal control system;
- appoints and replaces our independent outside auditors from time to time, determining their compensation and other terms of engagement and oversees their work;
- oversees the performance of our internal audit function;
- conducts a review of all related party transactions for potential conflicts of interest and approves all such related party transactions;
- establishes procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the confidential anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and
- oversees our compliance with legal, ethical and regulatory matters.

The Audit Committee has the sole and direct responsibility for appointing, evaluating and retaining our independent registered public accounting firm and for overseeing their work. All audit services to be provided to us and all permissible non-audit services, other than de minimis non-audit services, to be provided to us by our independent registered public accounting firm will be approved in advance by our Audit Committee. Since the Effective Time through December 31, 2006, the Audit Committee did not meet or act by unanimous written consent on any occasion. Prior to the Effective Time, the Audit Committee was comprised of Messrs. Gleason, Selati and Wilhite. Prior to the Effective Time and during the fiscal year ended December 31, 2006, the Audit Committee met or acted by unanimous consent on nine occasions. The Audit Committee has adopted a formal written Audit Committee charter that complies with the requirements of the Exchange Act and the NASDAQ listing standards. A copy of the Audit Committee charter is available on the investor relations section of our website at www.carrols.com.

Audit Committee Report

The Company's management has the primary responsibility for the financial statements and the reporting process, including the Company's system of internal controls and disclosure controls and procedures. The outside auditors audit the Company's financial statements and express an opinion on the financial statements based on the audit. The Audit Committee oversees (i) the accounting and financial reporting processes of the Company and (ii) the audits of the financial statements of the Company on behalf of the Board. The Audit Committee operates under a written charter adopted by the Board.

The Audit Committee has met and held discussions with management and Deloitte & Touche LLP, the Company's independent registered public accounting firm. Management represented to the Audit Committee that the Company's financial statements for the year ended December 31, 2006 were prepared in accordance with generally accepted accounting principles. We discussed the financial statements with both management and the independent auditors. We also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board.

The Audit Committee discussed with the independent auditors the overall scope and plans for the audit. We met with the independent auditors, with and without management, to discuss the results of their examination, the evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

The Audit Committee discussed with the independent auditors the auditor's independence from the Company and management, including the independent auditors written disclosures required by Independent Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*) as adopted by the Public Company Accounting Oversight Board.

Based on the foregoing, we have recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2006, for filing with the Securities and Exchange Commission.

A copy of the Corporate Governance and Nominating Committee charter is available on the investor relations section of our website at www.carrols.com.

Nominations For The Board Of Directors

The Corporate Governance and Nominating Committee of the Board of Directors considers director candidates based upon a number of qualifications. The qualifications for consideration as a director nominee vary according to the particular area of expertise being sought as a complement to the existing composition of the Board. At a minimum, however, the Corporate Governance and Nominating Committee seeks candidates for director who possess:

- the highest personal and professional ethics, integrity and values;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- willingness and ability to devote adequate time, energy and resources to diligently perform Board and Board committee duties and responsibilities; and
- a commitment to representing the long-term interests of the stockholders.

In addition to such minimum qualifications, the Corporate Governance and Nominating Committee takes into account the following factors when considering a potential director candidate:

- whether the individual possesses specific industry expertise and familiarity with general issues affecting our business;
- whether the person would qualify as an “independent” director under SEC and NASDAQ rules; and
- the importance of diversified Board membership in terms of the individuals involved and their various experiences and areas of expertise.

The Corporate Governance and Nominating Committee shall make every effort to ensure that the Board and its committees include at least the required number of independent directors, as that term is defined by applicable standards promulgated by NASDAQ and/or the SEC. Backgrounds giving rise to actual or perceived conflicts of

interest are undesirable. In addition, prior to nominating an existing director for re-election to the Board, the Corporate Governance and Nominating Committee will consider and review such existing director's Board and Committee attendance and performance, independence, experience, skills and the contributions that the existing director brings to the Board.

The Corporate Governance and Nominating Committee has not in the past relied upon third-party search firms to identify director candidates, but may employ such firms if so desired. The Corporate Governance and Nominating Committee generally relies upon, receives and reviews recommendations from a wide variety of contacts, including current executive officers, directors, community leaders, and stockholders as a source for potential director candidates. The Board retains complete independence in making nominations for election to the Board.

The Corporate Governance and Nominating Committee will consider qualified director candidates recommended by stockholders in compliance with our procedures and subject to applicable inquiries. The Corporate Governance and Nominating Committee's evaluation of candidates recommended by stockholders does not differ materially from its evaluation of candidates recommended from other sources. Pursuant to our amended and restated bylaws, any stockholder may recommend nominees for director not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting of stockholders, by writing to Joseph A. Zirkman, Vice President, General Counsel and Secretary, Carrols Restaurant Group, Inc., 968 James Street, Syracuse, NY 13203, giving the name, Company stockholdings and contact information of the person making the nomination, the candidate's name, address and other contact information, any direct or indirect holdings of our securities by the nominee, any information required to be disclosed about directors under applicable securities laws and/or stock exchange requirements, information regarding related party transactions with us, the nominee and/or the stockholder submitting the nomination, and any actual or potential conflicts of interest, the nominee's biographical data, current public and private company affiliations, employment history and qualifications and status as "independent" under applicable securities laws and/or stock exchange requirements. All of these communications will be reviewed by our Secretary and forwarded to Joel M. Handel, the Chairman of the Corporate Governance and Nominating Committee, for further review and consideration in accordance with this policy. Any such stockholder recommendation should be accompanied by a written statement from the candidate of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

Based upon a review of the filings furnished to us pursuant to Rule 16a-3(e) promulgated under the Exchange Act, and on representations from our executive officers and directors and persons who beneficially own more than 10% of our Common Stock, all filing requirements of Section 16(a) of the Exchange Act were complied with in a timely manner during the fiscal year ended December 31, 2006, except that BIB and Madison Dearborn, each a beneficial owner of more than 10% of our Common Stock, each failed to timely file an Initial Statement of Beneficial Ownership of Securities on Form 3 on December 14, 2006. Such Forms 3 were filed with the SEC by BIB and Madison Dearborn on December 15, 2006.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table provides information regarding beneficial ownership of our Common Stock as of April 13, 2007, by:

- each person known by us to beneficially own more than 5% of all outstanding shares of our Common Stock;
- each of our directors, nominees for director and Named Executive Officers (as defined in “*Executive Compensation—Compensation Discussion and Analysis*” herein) individually; and
- all of our directors and executive officers as a group.

However, such shares are not considered outstanding for the purpose of computing the percentage ownership of any other person, nor is there any obligation to exercise any of the options. Except as otherwise indicated, the address for each beneficial owner is c/o Carrols Restaurant Group, Inc., 968 James Street, Syracuse, NY 13203.

On March 27, 1997, the Madison Dearborn Stockholders, BIB, Alan Vituli, Daniel T. Accordino and Joseph A. Zirkman entered into a registration agreement with us (as amended in connection with the IPO). The registration agreement provides the Madison Dearborn Stockholders and BIB the right to demand registration of our Common Stock held by them under the Securities Act. The registration agreement also provides that whenever we register shares of our Common Stock under the Securities Act (other than on a Form S-4 or Form S-8) including pursuant to a demand by the Madison Dearborn Stockholders or BIB, then all of these stockholders will have the right to register their shares of Common Stock as part of that registration. The registration rights under this agreement are subject to the rights of the managing underwriters, if any, to reduce or exclude certain shares owned by these shareholders from the registration. The registration agreement requires us to pay for all costs and expenses, other than underwriting discounts and commissions, for these stockholders, incurred in connection with the registration of shares under the agreement. Under the registration agreement, we have agreed to indemnify the holders of the Common Stock entitled to registration rights against certain liabilities, including liabilities under the Securities Act.

The Board of Directors has assigned responsibility for reviewing related party transactions to our Audit Committee. The Board of Directors and the Audit Committee have adopted a written policy pursuant to which certain transactions between us or our subsidiaries and any of our directors or executive officers must be submitted to the Audit Committee for consideration prior to the consummation of the transaction as required by the rules of the SEC. The Audit Committee reports to the Board of Directors on all related party transactions considered.

Compensation Discussion and Analysis

Overview

Our Compensation Committee has responsibility for evaluating and approving the compensation plans and policies for our Chairman of the Board and Chief Executive Officer (the “CEO”) and our other executive officers. Our compensation policies and plans are designed to attract, retain and motivate highly qualified executives. Our executive officers named in the Summary Compensation Table (the “Named Executive Officers”) are compensated through a combination of base salary, incentive bonus and equity ownership, which enables us to be competitive relative to alternatives potentially available to these individuals and to align each Named Executive Officer’s compensation with the long-term interests of our stockholders.

Prior to the Effective Time of our IPO in December 2006, the oversight of compensation matters relating to the Named Executive Officers and certain other executive officers was the responsibility of the Compensation Committee of our Board of Directors as comprised prior to the Effective Time (the “Pre-IPO Compensation Committee”). The compensation paid to the Named Executive Officers since the Effective Time was, for the most part, approved by the Pre-IPO Compensation Committee and implemented either prior to the IPO, at the Effective Time or at the time that we completed the IPO.

The Compensation Committee will, from time to time, undertake a review of the compensation programs, objectives and philosophy inherited from the Pre-IPO Compensation Committee. The Compensation Committee may adjust existing plans and programs as it considers appropriate.

Objectives of Compensation Program

The primary focus of our executive compensation program has been, and will continue to be, to improve short term performance, achieve long-term sustainable growth in earnings and align the interests of our executive team with our stockholders. The compensation program was designed to provide the tools necessary to retain executives and, if necessary, hire executives with the skills needed to manage the Company to meet these goals and to retain them over the long-term.

In developing the programs, a key consideration was to have plans that were understandable, focused on shareholder objectives, quantitatively measurable while being competitive with the programs offered by other restaurant companies and other large organizations with which we compete for executive talent.

What Our Compensation Program is Designed to Reward

Our compensation philosophy is to focus on both annual improvement in earnings and the long-term growth objectives of the business. The plans are designed to reward the Named Executive Officers based upon both annual achievements and long term results reflected in the price of our Common Stock. Our compensation programs include cash compensation, designed to reward current financial performance, balanced with long-term stock based incentives designed to align the interests of our executive team with our stockholders.

Regarding most compensation matters, including executive and director compensation, our CEO and management may provide recommendations to the Compensation Committee. In that regard, during the IPO process in 2006, management engaged Towers Perrin, a nationally recognized, independent consulting firm, to conduct an analysis of major elements of our executive compensation program, including an analysis of base compensation for our Named Executive Officers compared to relevant peer companies. The consulting firm also advised and made recommendations concerning various elements of our incentive executive compensation program. This information was used by the CEO and management to formulate recommendations to the Pre-IPO Compensation Committee to establish new compensation programs and agreements in connection with the IPO and to ensure that appropriate levels of the various elements of our compensation would be in place prior to the completion of the IPO.

Role of Executive Officers in Determining Compensation

While the Pre-IPO Compensation Committee was primarily responsible for the overall oversight of our executive compensation, the CEO, with the assistance of other members of management, did provide input and views with respect to compensation for the other executive officers. Some of the ways in which our executive officers participated, and will continue to participate, in the compensation process are as follows:

- during the annual compensation review process, the CEO generally recommended to the Pre-IPO Compensation Committee base salary increases and cash bonuses for the other executive officers;
- the CEO provided input to the Pre-IPO Compensation Committee with respect to equity grants to be made to our other executive officers;
- the CEO commented on the analysis and recommendations of the consulting firm engaged by our management regarding our compensation program;
- other executive officers may be asked from time to time by the Compensation Committee to provide data about past practices, awards, costs and participation in various plans, as well as information about our annual and long-term goals, as requested by the Compensation Committee or the CEO, or that may be requested by the compensation consultant to properly perform certain compensation related projects; and
- the Compensation Committee seeks the advice of members of management to set the agenda for Compensation Committee meetings.

The Compensation Committee believes that the CEO's input is critical in determining the compensation of other executive officers because the CEO has day-to-day involvement with these executive officers and is in the best position to assess their performance, abilities, and contribution to our success. Therefore, in 2007, while the Compensation Committee will be primarily responsible for reviewing and making recommendations and determinations with respect to executive compensation, the CEO will continue to provide his input and recommendations to the Compensation Committee with respect to compensation for the other executive officers.

Elements of Our Compensation Plan and How It Relates to Our Objectives

Currently, our executive compensation program includes a combination of short-term compensation (salary and incentive bonus payment) and long-term compensation (equity incentive plan awards such as stock options) to achieve our goal of improving earnings and achieving long term sustainable growth in revenues and earnings which we believe constitutes alignment with stockholders interests. Base salary and incentive bonus payments are determined and paid annually and are designed to reward current performance. Equity incentive plan awards such as stock options and restricted stock awards are designed to reward longer term performance and promote retention.

Short-Term Compensation

Base Salary. The Compensation Committee annually reviews and approves the base salaries of our executive officers based upon recommendations from our CEO. Increases are not preset and take into account the individual's performance, responsibilities of the position, potential to contribute to the long term objectives of the company, management skills, competitive data and future potential.

Salary planning includes guidelines set after considering competitive market data and current salary levels, as appropriate. At the end of the year, the CEO evaluates each Named Executive Officer's performance in light of individual objectives. Base salary compensates each Named Executive Officer for the primary responsibilities of his position and is set at levels that we believe enable us to retain and attract talented management.

Prior to the Effective Time of our IPO, the base salaries of our CEO, Alan Vituli, and our President and Chief Operating Officer, Daniel T. Accordino, were determined pursuant to employment agreements with each of

Mr. Vituli (the “*Prior Vituli Employment Agreement*”) and Mr. Accordino (the “*Prior Accordino Employment Agreement*”), which were terminated upon the Effective Time of the IPO. Under the *Prior Vituli Employment Agreement* and the *Prior Accordino Employment Agreement*, the base salaries for Mr. Vituli and Mr. Accordino were increased by a minimum of \$25,000 and \$20,000 per year, respectively, or a greater amount as determined by the Pre-IPO Compensation Committee in its sole discretion.

In fiscal 2006, the base salary increases over fiscal 2005 for the Named Executive Officers were approximately 4.1% to 4.5%.

Annual Incentive Bonus Payments. Annual cash bonuses are an important component of our compensation program for our executive officers and are designed to reward current performance. Under our Executive Bonus Plan, annual incentive bonus payments are approved by the Compensation Committee and paid in cash in March of each year based on performance for the prior fiscal year.

Each of the Named Executive Officers are eligible to receive a maximum annual incentive bonus of between 90% to 105% of base salary, depending on position. The majority of the potential bonus payments are tied to the achievement of increases in stockholder value over certain established minimum thresholds (as defined and measured under the Executive Bonus Plan) and provide for increasing payments to the extent that those thresholds are exceeded.

Our CEO’s and our President and Chief Operating Officer’s maximum bonus is established at 105% and 100%, respectively, of their base salaries, and is based solely on our financial performance and the increase in stockholder value. Under the Executive Bonus Plan, this increase in stockholder value is measured using a defined formula, based upon a multiple of EBITDA less outstanding indebtedness designed to consistently measure stockholder value from period to period, including adjustments for non-recurring gains and losses, and adjustments for certain changes in our capital structure.

Each Named Executive Officer, other than our CEO and our President and Chief Operating Officer, is eligible for a maximum annual bonus of 90% to 100% of base salary, depending on position, comprised of a bonus tied to the increase in stockholder value, as discussed above, up to a maximum of 65% to 70% of base salary, depending on position. In addition, each of these executive officers are also eligible to receive a bonus from 20% to 35% of base salary, depending on position, which is based on the individual attainment of specified goals and objectives established for the year for each individual. Payments of that portion of the bonus tied to individual goals are determined based on the discretion of the CEO and the President and Chief Operating Officer as applied in evaluating achievement of each individual’s goals and objectives. The payment of this portion of the bonus is also conditioned, in its entirety, on the achievement of a pre-determined minimum level of EBITDA.

Historically, our annual incentive bonus payments were primarily designed to reward our executive officers based upon the Company achieving increases in stockholder value over certain pre-established minimum targets. In 2007, our Compensation Committee intends to evaluate our Executive Bonus Plan with respect to whether EBITDA should still be utilized as the measure of stockholder value or whether utilizing more commonly applied criteria like earnings per share or some other metric would further align the interests of our Named Executive Officers with those of our stockholders.

Long-Term Compensation

The long-term incentive compensation utilized by us for our senior management is an equity based compensation plan designed to ensure alignment of senior management’s interests with those of our long term stockholders. The stock options and restricted stock awards have a time-based vesting schedule with a certain percentage of options or shares vesting over a period of time established by the Compensation Committee under our 2006 Stock Incentive Plan, which we refer to as our stock incentive plan. Our Compensation Committee

recently established a policy with respect to granting stock options or other equity awards under our stock incentive plan. The Compensation Committee will annually grant stock options or other equity awards to employees, including the Named Executive Officers, on each January 15th (with an alternative date of July 15 for new employees or employees promoted after January 15th). Accordingly, the measurement of the value of any stock option or stock award will be based upon the price of our Common Stock at the close of business on those respective grant dates. The Compensation Committee will annually grant such stock options or other equity awards on January 15th based upon recommendations from our CEO who will provide such recommendations after evaluating the individual performance of our employees (including the Named Executive Officers (other than the CEO)). This is a substantial portion of the total compensation package for the Named Executive Officers and is an important retention tool.

2006 Stock Incentive Plan

In connection with our IPO, we adopted our stock incentive plan, which provides for the grant of stock options and stock appreciation rights, stock awards, performance awards, outside director stock options and outside director stock awards. Any officer, employee, associate, director and any consultant or advisor providing services to us are eligible to participate in the stock incentive plan.

The stock incentive plan is administered by the Compensation Committee which approves awards and may base its considerations on recommendations by our CEO. The Compensation Committee has the authority to (1) approve stock incentive plan participants, (2) approve whether and to what extent stock options, stock appreciation rights and stock awards are to be granted and the number of shares of stock to be covered by each award (other than an outside director award), (3) approve forms of agreement for use under the stock incentive plan, (4) determine terms and conditions of awards (including, but not limited to, the option price, any vesting restriction or limitation, any vesting acceleration or waiver or forfeiture, and any right of repurchase, right of first refusal or other transfer restriction regarding any award), (5) modify, amend or adjust the terms and conditions of any award, (6) determine the fair market value, and (7) determine the type and amount of consideration to be received by us for any stock award issued.

In 2006, the only grants of equity incentive awards to the Named Executive Officers were a special grant of stock options under our stock incentive plan made in connection with, and subject to the completion of, our IPO. Special grants of stock options were also made to our other executive officers and certain employees. Such grants were approved by the Pre-IPO Compensation Committee on December 12, 2006 to (i) further align the interests of the Named Executive Officers with our stockholders, and (ii) reward the Named Executive Officers for their contributions to the Company in 2006. These grants of stock options are not necessarily reflective of the size and amounts of option grants or other equity incentive awards to be made to the Named Executive Officers in future years. These grants of stock options are further described on page 20 of this Proxy Statement under the heading “*Grants of Plan-Based Awards*” and on page 22 of this Proxy Statement under the heading “*Outstanding Equity Awards at Fiscal Year-End*”.

FAS 123R valuation of equity awards.

Effective January 2, 2006, we adopted SFAS No. 123(R), “Share-Based Payment” (“*SFAS 123R*”) using the modified prospective transition method. Accordingly, we apply the Black-Scholes valuation model in determining the fair value of stock options granted to employees, including the Named Executive Officers, which is then amortized on a straight-line basis to compensation expense over the requisite service period. For restricted stock awards, the fair market value of the award, determined based upon the closing value of our stock price on the grant date, is amortized as compensation expense on a straight-line basis over the vesting period of the award.

Other Benefits

Deferred Compensation Plan. We provide certain benefits under The Carrols Corporation and Subsidiaries Deferred Compensation Plan (the “*Deferred Compensation Plan*”) which is discussed on page 23 of this Proxy Statement.

Change of Control and Severance Benefits. For a discussion of change of control arrangements or severance arrangements and the triggers for payments under such arrangements, please see page 23 of this Proxy Statement under the heading “*Potential Payments Upon Termination or Change of Control*”.

Other Post-Employment Benefits. The employment agreements for Messrs. Vituli and Accordino each provide for continued coverage under our welfare and benefits plans for such executive officer and his eligible dependents after cessation of employment with the Company for the remainder of their respective lives.

Compensation for the Named Executive Officers

As stated previously herein, the annual increases in base salaries for our CEO and President and Chief Operating Officer were determined pursuant to employment agreements in effect prior to the Effective Time. Such employment agreements were terminated at the Effective Time.

In December 2006, we entered into an employment agreement with our CEO, Alan Vituli, which became effective as of the Effective Time and governs the terms of his compensation. Mr. Vituli’s employment agreement is further described on pages 19 and 23 of this Proxy Statement.

In December 2006, we entered into an employment agreement with our President and COO, Daniel T Accordino, which became effective as of the Effective Time and governs the terms of his compensation. Mr. Accordino’s employment agreement is further described on pages 20 and 23 of this Proxy Statement.

None of the other Named Executive Officers have an employment agreement with us.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on such review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

- (1) The grants of plan-based awards in this table above were approved by our Compensation Committee in connection with our IPO on December 12, 2006 with a grant date to be the date when our Registration Statement on Form S-1 was declared effective by the SEC.
- (2) Amounts shown in this column reflect the number of option awards granted to each Named Executive Officer pursuant to our stock incentive plan. All such options were granted in connection with our IPO. Messrs. Vituli and Accordino were each granted non-qualified stock options. Messrs. Shaye, Zirkman and Flanders were each granted incentive stock options. All of such options vest over a period of five years, with one-fifth of such options vesting and becoming exercisable on the first anniversary of the grant date and one-sixtieth of such options vesting and becoming exercisable monthly on the first day of each month subsequent to the first anniversary of the grant date.
- (3) With respect to all such stock options, 50% of the stock options were granted with an exercise price per share equal to the fair market value of our Common Stock on the date of grant, or \$13.00 per share (which was the initial public offering price of our Common Stock in the IPO), and the remaining 50% were granted with an exercise price per share equal to 120% of the fair market value our Common Stock on the date of grant, or \$15.60 per share of Common Stock.
- (4) The value of option awards granted in 2006 is based on the grant date fair value computed in accordance with SFAS No. 123R as set forth in Notes 1 and 12 to the consolidated financial statements for the year ended December 31, 2006, which are included in our Annual Report on Form 10-K filed with the SEC on March 23, 2007.

Pursuant to Mr. Vituli's current employment agreement, all of Mr. Vituli's unvested stock options will immediately vest and become exercisable in the event that we or Carrols elect not to renew Mr. Vituli's employment agreement after the initial term, which expires on December 31, 2008, and Mr. Vituli ceases to be employed after the end of such initial term, or if Mr. Vituli's employment is terminated by us or Carrols without cause (as defined in Mr. Vituli's employment agreement) or Mr. Vituli retires at any time after the initial two-year term of his employment agreement.

Pursuant to Mr. Accordino's employment agreement, all of Mr. Accordino's unvested stock options will immediately vest and become exercisable in the event that Mr. Accordino's employment is terminated by Mr. Accordino for the reason that Mr. Vituli has ceased to be Chief Executive Officer of us or Carrols and a person other than Mr. Accordino has succeeded Mr. Vituli as Chief Executive Officer.

OPTIONS EXERCISED AND STOCK VESTED

The Named Executive Officers did not exercise any stock options and no stock options vested during the fiscal year ended December 31, 2006.

NONQUALIFIED DEFERRED COMPENSATION

We have a Deferred Compensation Plan for employees not eligible to participate in the Carrols Corporation Retirement Savings Plan (the “*Retirement Plan*”) because they have been excluded as “highly compensated” employees (as so defined in the Retirement Plan), to voluntarily defer portions of their base salary and annual bonus. An eligible employee may elect, on a deferral agreement, to defer all or a specified percentage of base salary and, if applicable, all or a specified percentage of cash bonuses. All amounts deferred by the participants earn interest at 8% per annum. We do not match any portion of the funds. All of the Named Executive Officers are eligible to participate in our Deferred Compensation Plan.

The following table describes contributions, earnings and balances under our Deferred Compensation Plan.

Name	Executive Contributions in Last FY (1) (\$)	Registrant Contributions in Last FY (\$)	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/ Distributions (\$)	Aggregate Balance at Last FYE (\$)

Lewis S. Shaye	—	—	—	—	—
Joseph A. Zirkman	—	—	—	—	—
Paul R. Flanders	—	—	—	—	—

- (1) The contribution reported for Mr. Vituli and \$290,853 of the contribution reported for Mr. Accordino were paid in fiscal year 2006 with respect to services rendered in fiscal year 2005. The remaining contribution for Mr. Accordino was paid and contributed in 2006 with respect to services rendered in fiscal year 2006.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Vituli and Accordino Employment Agreements

Mr. Vituli’s and Mr. Accordino’s respective employment agreements provide that if Mr. Vituli’s or Mr. Accordino’s employment is terminated without cause (as defined in their respective employment agreements) or Mr. Vituli or Mr. Accordino terminate their respective employment for good reason (as defined in their respective employment agreements) (a) within twelve months following a change of control (as defined in their respective employment agreements), or (b) and a binding agreement with respect to a change of control transaction was entered into during the term of his respective employment and such change of control transaction occurs within 12 months after the date of his respective termination of employment, then in either case, Mr. Vituli and Mr. Accordino will each receive a cash lump sum payment equal to 2.99 times their respective average salary plus their respective average annual bonus (paid under Carrols’ Executive Bonus Plan or deferred under the Deferred Compensation Plan) for the prior five years. Their respective employment agreements also provide that if Mr. Vituli’s or Mr. Accordino’s employment is terminated by us or Carrols without cause (other than following a change of control as described above) or Mr. Vituli or Mr. Accordino terminate their respective employment for good reason (other than following a change of control as described above), Mr. Vituli and Mr. Accordino will each receive a cash lump sum payment in an amount equal to 2.00 times their respective average salary plus average annual bonus (paid under Carrols’ Executive Bonus Plan or deferred under our Deferred Compensation Plan) for the prior five years. Their respective employment agreements include non-competition and non-solicitation provisions effective during the term of their respective employment agreements and for two years following the termination of their respective employment agreements.

Change of Control/Severance Agreement

In December 2006, we and Carrols entered into a change of control/severance agreement with each of Messrs. Shaye, Zirkman and Flanders and six of our other officers. Each change of control/severance agreement provides that if within one year following a “change of control” (as defined in the change of control/severance agreement), such employee’s employment is terminated by us or Carrols without cause (as defined in the change of control/severance agreement) or by such employee for good reason (as defined in the change of control/severance agreement), then such employee will be entitled to receive (a) a cash lump sum payment in the amount equal to the product of 18 and the employee’s monthly base salary at the then current rate, (b) an amount equal to the aggregate bonus payment for the year in which the employee incurs a termination of employment to which the employee would otherwise have been entitled had his employment not terminated under the Executive Bonus Plan then in effect, and (c) continued coverage under our welfare and benefits plans for such employee and his dependents for a period of up to 18 months. Each change of control/severance agreement also provides that if prior to a change of control or more than one year after a change of control, such employee’s employment is terminated by us or Carrols without cause or by such employee for good reason, then such employee will be entitled to receive (a) a cash lump sum payment in the amount equal to one year’s salary at the then current rate, (b) an amount equal to the pro rata portion of the aggregate bonus payment for the year in which the employee incurs a termination of employment to which the employee would otherwise have been entitled had his employment not terminated under the Executive Bonus Plan then in effect, and (c) continued coverage under our welfare and benefits plans for such employee and his dependents for a period of up to 18 months. The payments and benefits due under each change of control/severance agreement cannot be reduced by any compensation earned by the employee as a result of employment by another employer or otherwise. The payments are also not subject to any set-off, counterclaim, recoupment, defense or other right that we may have against the employee.

The following table summarizes estimated benefits that would have been payable to Messrs. Vituli and Accordino if the employment of such executive officer had been (1) terminated on December 31, 2006 by the Company without “cause” or by the executive officer for “good reason” within 12 months of a change of control of the Company; (2) terminated on December 31, 2006 by the Company without “cause” or by the executive officer for “good reason” and (a) a binding agreement with respect to a change of control transaction was entered into during the term of employment of such executive officer and (b) such change of control transaction occurs within 12 months after the date of termination of employment of such executive officer; (3) terminated by the Company for “cause” or by the executive without “good reason” on December 31, 2006; (4) terminated by the Company without “cause” or by the executive for “good reason”; (5) terminated by the Company due to disability; and (6) terminated due to death. The closing price of our Common Stock on December 31, 2006 was \$14.18.

PROPOSAL 2—SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Deloitte & Touche LLP as the independent registered public accounting firm to audit and report upon the consolidated financial statements of the Company for the fiscal year ending December 31, 2007. Although stockholder ratification of the Board's action in this respect is not required, the Board's considers it desirable for stockholders to pass upon the selection of auditors and, if the stockholders disapprove of the selection, intends to reconsider the selection of the independent registered public accounting firm for the fiscal year ending December 31, 2007.

It is expected that representatives of Deloitte & Touche LLP will be present at the meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of the appointment of the independent registered public accounting firm. Proxies received in response to this solicitation will be voted FOR the appointment of the independent registered public accounting firm unless otherwise specified in the proxy.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On August 18, 2005, PricewaterhouseCoopers LLP ("PwC") resigned as our independent registered public accounting firm following the completion of services related to the review of Carrols and our interim financial statements for the quarter ended June 30, 2005 and the filing of Carrols' Quarterly Report on Form 10-Q for the period ended June 30, 2005.

The reports of PwC on our financial statements as of and for the years ended December 31, 2004 and 2003 contained no adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principle.

During the audits for years ended December 31, 2004 and 2003 and through August 18, 2005, there were certain differences of opinion with PwC which, although ultimately resolved to the satisfaction of both PwC and us, constituted disagreements on matters regarding accounting principles, practices or financial statement disclosure which are required to be reported under Item 304(a)(1)(iv) of Regulation S-K promulgated by the SEC. During the year ended December 31, 2003 the reportable event related to the accounting for certain real estate transactions as financing transactions rather than as sale-leaseback transactions which resulted in a restatement of our financial statements. During the year ended December 31, 2004, such reportable events related to (a) our lease and leasehold improvement accounting, (b) our accounting policies with respect to franchise rights and (c) the accounting method used for certain stock options, all of which resulted in a restatement of our financial statements. Our audit committee discussed the subject matter of these disagreements with PwC, and authorized PwC to respond fully to the inquiries of our successor accountant, once it was engaged, concerning the subject matter of such disagreements. Except for those matters noted above, there were no other disagreements with PwC for the years ended December 31, 2004 and December 31, 2003, and through August 18, 2005 that would have caused PwC to make reference thereto in their reports on our financial statements for such years if such matters were not resolved to the satisfaction of PwC.

We also refer to certain material weaknesses or deficiencies in our internal controls over financial reporting, which are described in our final prospectus relating to our IPO filed pursuant to Rule 424(b) of the Securities Act. Except for the material weaknesses or deficiencies noted, during the years ended December 31, 2004 and 2003, and through August 18, 2005, there were no "reportable events" as that term is described in Item 304(a)(1)(v) of Regulation S-K.

On October 19, 2005, our Audit Committee appointed Deloitte & Touche LLP as our independent registered public accounting firm for the year ended December 31, 2005.

During the years ended December 31, 2004 and 2003, and through the date Deloitte & Touche LLP was engaged, we did not consult Deloitte & Touche LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or regarding the type of audit opinion that might be rendered by Deloitte & Touche LLP on our financial statements, and no written report or oral advice was provided to us that Deloitte & Touche LLP concluded was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement (as defined in paragraph (a)(1)(iv) and the related instructions to Item 304 of Regulation S-K) or a reportable event (as described in paragraph (a)(1)(v) of Item 304 of Regulation S-K).
